

MIRALEJOS TRAVEL EXPERT HOW TO

★ Come back and discover new horizons on great deals!

-50%

Take four tours, and your fifth tour will be discounted by 50% of the average price of your previous four.

-100%

Your tenth trip is discounted by 100% of the average price of your previous nine!

We keep the record of all our trips, so just leave this to us!

No time limit for accumulating trips

★ Refer friends and accumulate discounts!

CREDIT

Referring friends gives you 10% of the trip's worth in credit that you can use as a discount on a future trip, or give to another person as a gift.

You can use you accumulated credits in a year, or two, or when you decide to. There's no time limit.

When your friend contacts us, he/she must say **who** referred him/her and the **trip with date** (month and year is enough). Then we will contact you to confirm, and once the trip is booked we will contact you confirming how much credit you accumulated.

★ Travelling in a group? Yes, it can be intimidating to organize, but we can help you out with our special large groups offer:

GROUPS

Special price for large groups:

7 travellers for the price of 6

14 travellers for the price of 12

Not valid for other offers.

These special deals cannot be combined, redeemed for cash and are not earned on extensions, single supplements, shuttles, or lodging services not included in a trip.

These offers are totally transferable to others. Few things surpass a gift into Patagonia's nature.

MIRALEJOS TRAVEL EXPERT **HOW TO**

Our clients

People from all over the world and all ages that like Nature and enjoy outdoors activities; value a good service and are always open to live new experiences.

People who do their share of the teamwork, who treasure the silence of the forest; the strength of the water; the vastness of the skies and like to take some time to capture a good picture. They do not mind some mud o crossing a river, and enjoy a nice meal by a bonfire.

High Quality Trips For Active Travelers in Patagonia

 We want to share the natural beauty of Chile: its forests, mountains, seas and people with the World.

 We believe that travelling is a way of acquiring knowledge and opening our minds and senses to the wonders of Life, to learn about ourselves and of what surrounds us.

 We understand that sustainable, environmental and people friendly tourism is vital to keep our ecosystem. reason why we follow the guidelines of minimum impact (Leave No Trace) and fair trade (Fairtrade Labelling Organizations International).
