Miralejos will provide Mountain HardWear tents, Therma Rest inflatable mattresses and all necessary equipment for a camping of quality. Meals will be served at the refugios following the program, and passengers will have access to all services offered by the refugios as well.

Day 1 Puerto Natales / Torres del Paine

The trip starts in your hotel in Puerto Natales from where we drive directly to Torres del Paine National Park. Once in the Park we hike up to Las Torres viewpoint that offers great views of the granite peaks and glaciers. After a delicious box lunch we hike back to Las Torres hut to have a nice dinner and celebrate the first day of the trip.

Day 2 Las Torres Refuge / Pehoé / Valle El Francés

We take our private transfer and drive to Pudeto to board a catamaran across Pehoé Lake. Once on the other side we hike for 16km to El Frances Valley that has fantastic panoramic views of granite walls like La Espada, Fortaleza, El Escudo and Paine Grande (3.050MASL.) After a box lunch we hike back to Paine Grande hut and enjoy some wine, appetizers, board cheese and an abundant dinner.

Day 3 Pehoé / Grey Glacier / Puerto Natales

To day we hike 3 hours to reach the Grey Glacier that is part of the Southern Ice Field. We enjoy lunch in this special place at the end of the world looking the deep blue of the ice in front of us. We hike back to Pehoé, take the catamaran and drive in our private transfer to Puerto Natales.

Optional: Once in Grey Glacier we can take the boat Grey II and cross Grey Lake sailing by icebergs and spectacular views of the Ice field and Paine Grande Mountain. We take our transfer and drive to Puerto Natales.

..... **Day 4 (Optional) Full day in the Park**

For those who wish to keep knowing the Torres del Paine in depth we offer the alternative of taking this Full day on the park. Depending on the different interests of the people in the group the guide can take you to places rich in fauna, being able to catch sight of condors, guanacos (relatives to llamas and camels) ñandúes (family of ostriches and emus), the varied bird fauna and with some luck see huemules (Austral deer) and pumas. If you're interested in plants the guide can show you the most emblematic flora of the Park. You may also go see ancient rock paintings and get to little visited viewpoints and admire spectacular views of the mountain range and later travel to Puerto Natales. If hiring this extra day we will spend the previous night at Paine Grade refuge, which has wide dining rooms, common rooms, chimney and hot showers.
